SENT DEPARTMENT 452; REPEATED INFO PARIS UNNUMBERED, LONDON UNNUMBERED, THE HAGUE UNNUMBERED, LUXEMBOURG UNNUMBERED.

Executive committee Belgian Socialist Party announces "Socialist Party is ready support any defense policy within framework Brussels Pact and Atlantic Pact and within financial, economic and social conditions which will be determined by general council of party on Friday, September 29. Committee undertook first examination of improvised military measures proposed by government. It is convinced that two-year military service is useless and postulates an effort which country does not need to undertake to fulfill its international obligations. Under these conditions, committee will demand that party decide to combat (this proposal)".
